## THOS. S. WHEELWRIGHT.

The joint resolution adopted by the

Aldermen follows:

A joint resolution proposing a basis of settlement of the existing street railway situation in the city of Richmond, to the Virginia Rall-way and Power Company, whereby the Council of the city of Richmond agrees to adopt certain measures in consideration of certain stipulated actions on the part of the Virginia Rallway and Fower Company.

Whereas, the Council of the city of Richmond, acting in the interest of all of the people of said city, desires to bring to a speedy termination, the existing conditions whereby street railway transportation in the city has been interrupted to the great loss and detriment of the community,

oss and detriment of the community. and at the same time desires as far a is possible, to save from loss and unemployment, those citizens form-erly employed by the Virginia Itali-way and Power Company, now. herefore.

Conditions by Council.

Conditions by Council.

Be it resolved by the Council of the city of Richmond, the Common Council concurring:

1. That as soon as the Virginia Railway and Power Company shall have declared and made effective by such action and orders as may be necessary, a wage scale for the plat-form men employed by it in its street form men employed by it in its street ological students in robes of flaming railway service in the city of Richmond, of 35 cents an hour for the first-year of service, 371-2 cents an hour for the service, and 40 cents an hour for the third and subsequent years of service, with an addition of 5 cents an hour for the operators of so-cailed "one-man" cars, which said scale of wages shall take effect as of January 16, 1922, and be effective for services rendered subsequent to said date, and second, as soon as the said Virginia Railway and Power Company shall give formal and public notice that it will accept and re-employ without displacing or discharging men now in the service of the company, as

be modified to provide that the 6cent fare shall continue as provided The condition in clause 3 should also be modified so as to provide displacing or discharging men now in the service of the company, as many of its former employes and other experienced street car men, without regard to participation in the strike of the platform men, who shall make application for service and be accepted by the company before 12 o'clock midnight of February 5, 1922, and will rate for wage purposes the men so employed or re-employed as well as those men employed by the company since January 16, 1922, in accordance with their previous experience as first, second or that a franchise for trackless trolbus line shall be promptly considered and disposed of by the Committee on Streets and the Coun-

Gentlemen,-In response to your vious experience as first, second or communication of this date, handed third-year men, under the wage scale communication of this date, named the specified, it being understood above specified, it being understood by the Council of the city of Richmond that the proposition as submitted by you is acceptable to this company as the offers the good falth of the city, as a large a number of its former empty.

It offers the good faith of the city, as represented by you, to co-operate with us in the reatoration and maintenance of the best rerect of which we are capable, in the public interest. We are gratified by the substantial results of this conference, and we trust and believe it will lead to a closer co--peration in achieving the further necessary legislation by your body to enable this company to render a more complete service, than ever before to this community.

The continuance of the 6-cent fare, together with the regulation of the fitneys, agred to by you, justilied us in endeavoring to meet you by the adoption, for the present, of the wage scale which you propose. We shall certainly, in good faith, await the results to be derived from the legislation which is embodied as a part

hereof, and in accordance with the remy of this stipulation, will necept as large a number of its former employes as can be done under the terms of this stipulation, and will increase the number so accepted in due course as vacancies may occur, giving preference as far as possible to old and competent former employes. Then and thereupon, the Council of the city of Richmond agrees first, not to repeal the existing so-called "Six Cent Fare Ordinance," but to allow the same to continue as provided by the terms of this stipulation, will necept as large a number of its former employees as can be done under the terms of this stipulation, and will increase the number so accepted in due course as vacancies may occur, giving preference as far as possible to old and competent former employes. Then and thereupon, the Council of the city of Richmond agrees first, not to repeal the existing so-called "Six Cent Fare Ordinance," but to allow the same to continue as provided by the terms of this stipulation, and will increase the number of its former employees as can be done under the terms of this stipulation, and will increase the number of its former employees.

The continuence of the city old and competent former employees. Then and thereupon,

# ARBUCKLE WILL FACE TRIAL FOR THIRD TIME

Movie Actor Welcomes Announcement After Jury

Again Disagrees.

By United Nefs.]

SAN FRANCISCO, Feb. 3—Roscoe
Arbuckle will be tried again—the
third time—for the death of Virginia Rappe, motion picture actress.
This is the announcement of District Azorney Brady, following the dismissal of the jury in the second trial, when agreement was found im-

Strangely enough, the big comedian smiled at the news. He is glad of the opportunity, for if the State decided to dismiss the case, it would mean that he would never again be able to appear in the pictures of

rossible, r , r forty-four hours of deliberation.

A third trial and the possibilities

of acquittal cheered him.
"Well, if that's the case, better luck next time," he said. "I'm getting used to being tried.'

Brady said it was his "manifest duty" to bring Arbuckle to trial again

in its deliberations by the evidence and in the end tried to arrive at a verdict based on the evidence solely," he said.
"In spite of my own personal convictions, my intention has been to be guided by the opinion of the ma-jority. Had the majority been for

porties. Had the majority been for acquittal I would have asked the dismissal of the case. As the jury stood ten to two for conviction, it is my manifest duty to try this case again." The defense announced it was ready to go to trial Monday. A date for the new trial will be - then. The announcement that the jury

stood ten to two for conviction was a distinct surprise, as it had been re-ported that the majority was for acquitted

### CARDINALS FAIL TO AGREE ON PONTIFF DURING FIRST DAY (Continued From First Page.)

nais, Pompilj and Bacilieri, are suf-fering from colds.

One of the reasons the smoke an-

One of the reasons the smoke announcements are so late is that the hallots of the three invalids must be taken in their rooms.

Several hours before the convening of the conclave in the afternoon thousands gath red in the historic square in front of the Vatican, many of them coming from distant points. By 4 o'clock fully 10,000 persons had taken up positions of vantage on the steps of St. Peter's or along the cobbled pavement or on balconies and roofs of the neighboring houses. The favored few, for the most part members of the papal court or the Roman aristocracy, occupied places in the left loggia of the Vatican, the envy of the crowds assembled below.

All eyes cagerly centered on the slender metal chimney of the Vatican, which is so old that it incanes sharply to one side, making identification easier among the other flue

pipes.

In the center of the ocean of upturned faces the century-old Egyptian obelisk reared itself. In the vast concourse were many Americans. some of whom had journeyed from remote points in Italy to witness the memorable ceremony of electing the head of til. Catholic Church. A number of them were equipped with bit oculars and telescopes, which they turned on the all-important smokestack, whence came the stack, whence came the message whether a new sovereign Pontiff had

A Russian refugee, former men ber of Wrangel's army, set up a huge long-distance artillery range finder and charged spectators a small sum for an inspection of the chimney, Photographers were everywhere, riveting long-distance telescopie riveting long-distance telescopic lenses either on the balcony of St. Peter's, in anticipation of an an-nouncement by the dean of the cardi-nals, or upon the Vatican chimney. But most conspicuous of all in the red, their bright vestments imparting a colorful touch to the otherwise

drab appearance of the vast assemblage. Hundreds of devout Italians, intent Hundreds of devout Italians, intent upon being the first to receive the benediction of the new Pope, brought baskets of food and jugs of winc, some of them even blankets, prepared if necessary for a long vigil. One member of the church, over So years of age, who prided himself on having received the blessing of the last three Pontiffs, came all the way from Naples, equipped with cot, blankets and food, and spent the night under the colonnaded wings of St. Peter's, upon the steps of St. Peter's were

Upon the steps of St. Peter's were numerous American and foreign artists, who had the greatest diffi-culty in finding places for their easels, but who labored hard under the trying circumstances.
